

Sample Itinerary for Lassen Backpacking Trip 2017

Hello Wilderness Trippers and welcome to a potential view of future life on the trail. Below is a sample itinerary in the area in which we are hiking. This is a guide and is no means set in stone. Since we are equipped with a Satellite Phone and a SPOT communication device our plans are flexible. We can decide to layover for a day at a beautiful spot and climb a peak or swim in an Alpine Lake. The sky is the limit. As we sleep under it every evening our collective dreams and goals will guide our days.
